For Steam Free Mirrors

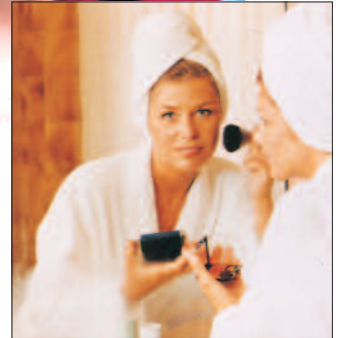

A clear advantage
in your bathroom with
the original *demista*TM
Heated Pads & Mirrors

Steamed up bathroom mirrors were always accepted as an everyday problem that couldn't be solved.... until the introduction of *demista*TM. No more blurred or smeary mirrors, just flick a switch and see your reflection crystal clear. *demista*TM is an ingenious device that keeps mirrors free of condensation for ever and allows you to see your reflection clearly even in the most airless and steamy bathroom.

- Simple to fit • Low cost
- Economical to run
- Completely safe • Maintenance free
- Approved to international standards
- 10 year warranty
- Manufactured in the UK

What Is demista™

demista™ is a simple efficient, ultra slim heating pad which fits inconspicuously behind most bathroom mirrors - existing or newly installed. Once fitted, the mirror will never steam up in and around the area of the pad. demista™ is manufactured in the UK specifically for mirrors and has been developed from a unique heating system which has been proven for over 30 years. It represents the most up to date standard of technology giving a high degree of temperature stability with complete resistance to moisture, vibration, shock, dust and ageing.

Safe

Low surface temperature means NO overheating or damage, even if left on accidentally.

Economical

Running costs are almost insignificant - It also saves on time and cleaning materials

Easy To Fit

demista™ is self-adhesive, fits to the back of virtually any mirror - new or existing - and simply wires into the bathroom lighting in accordance with instructions. demista™ can also be connected to the fan or separate switch if preferred.

Maintenance and Trouble Free

Complete reliability with NO costly wire elements to break and NO hot spots.

Approvals

demista™ is a Class II product complying to the following standards.

EC / INTERNATIONAL	 Approved to EN60 335-2-30:1997 & IEC 335-2-30:1996
USA	 Recognised component by UL: certificate No. E 151390
CANADA	 Recognised component by UL: certificate No. E 151390
AUSTRALIA	Dept of Energy Certification number CS 6970N

Fully Guaranteed

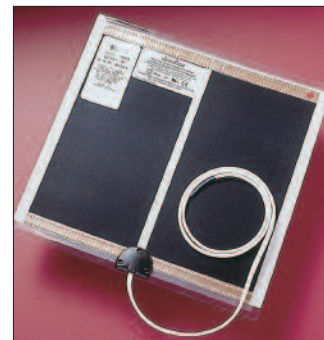

10 year warranty against any manufacturing fault, providing demista™ is fitted strictly in accordance with instructions supplied.
